

2009 BPAWNY Golf Event

*Springville Country Club
August 3, 2009*

*Proceeds in part to benefit the BPAWNY Youth Scholarship Fund
And the Bertrand Chaffee Hospital and Home*

The Bowling Proprietors Association of WNY has long endeavored to raise the quality of life in our local community.

Since 1982, our yearly tournaments and awards programs have awarded in excess of \$120,000 in scholarships to over 240 youth bowlers. These students have gone on to attend over 40 different colleges and universities, with many choosing to remain local.

This year, we have also chosen to contribute proceeds in part to the Bertrand Chaffee Hospital and Home in Springville, NY. The 130 bed health care complex is a private, not-for-profit corporation that has been an important resource for residents of Southern Erie, Wyoming, and Northern Cattaraugus counties since 1946.

We ask that you consider investing in our community by accepting a sponsorship package and joining us in a fun filled day of golf, cart, lunch, dinner, open bar, contests, and games.
